Consent to Electronic Transmission

www.YESS-US.com

As a member of YESS (and/or a director on the Board of Directors of YESS), you must provide written consent in order to receive official communications from, and to send official communications to, YESS via electronic transmission (fax or email).

This consent form will allow YESS to send you meeting notices, ballots, conduct meetings, and handle other official business that requires membership or board approval, by electronic transmission (fax or email). It also allows you to send the same types of information to YESS via fax or email.

Before signing this consent form, please review and be aware of the following:

1. You are not required to sign this form. You may request that meeting notices, ballots, and other matters of official business be sent to you via regular mail.
2. You have the right to withdraw your written consent at any time after signing this form by providing YESS with written notice that you are withdrawing your consent relative to electronic transmission. No fee will be charged for withdrawing your consent.
3. This consent to electronic transmission is broad, and may include transmission of meeting notices, ballots, and other important information regarding YESS. It also allows YESS to conduct meetings via electronic transmission, although that will not be a frequent occurrence. This consent form meets the requirements for consent under the Federal Electronic Signatures in Global and National Commerce Act (15 U.S.C. Sec. 7001(c)(1)).
4. Consenting to electronic transmission via fax requires that you have access to a fax machine and have a current fax number on file with YESS.
5. Consenting to electronic transmission via email requires that you have access to a computer, have a current email account in your name, and have provided your current email address to YESS.

The YESS member and/or director, has read and understands the foregoing, and hereby provides this un-revoked written consent to receive and send information, including but not necessarily limited to meeting notices, ballots, and other information regarding YESS, via electronic transmission (fax and/or email), until such time as this consent is revoked in writing. This consent also allows YESS to conduct board meetings via electronic transmission.
